

Austin Contractors & Engineers Association

The Austin Contractors & Engineers Association supports the business interests of contractors, civil engineers, and suppliers throughout Central Texas. ACEA members connect with key officials to share knowledge, spread awareness, and develop infrastructure solutions.

We promote public policy, regulations, and procedures that benefit the Austin community at large. In addition to activism, our members build community and foster relationships through annual events, membership luncheons, and seasonal fundraisers.

Meet Our Board of Directors

Your Business Matters

Contractors, engineers, and associates are the foundation of Austin's infrastructure. Your professional experience and passion are the driving force of our community. However, you may not always have access to the education, connections, or resources you need to succeed.

ACEA will provide you with a platform to speak up and make an impact in the public works and construction industry. We'll give you the opportunity to connect with key policy-makers, stakeholders, and leaders in infrastructure construction. Find your voice and share your perspective on regulations and procedures. Discover how to make more informed decisions, foster deeper relationships, and support the Central Texas infrastructure.

Engineers

Any person, firm, or corporation who is engaged in the engineering design of streets and utilities.

Contractors

Any person, firm, or corporation who is engaged in the utilities and street construction industry.

Associates

Any person, firm, or corporation who is a supplier of equipment, goods, or materials.

Member Benefits

Promote Your Business

Advertise your services and products with marketing and sponsorship opportunities.

Connect with Leaders

Join a committee to discuss regulatory oversight with city, county, and state officials.

Earn PD Hours

Attend monthly luncheons and annual symposium for professional development.

Enjoy Discounts

Save up to 80% on supplies at Office Depot/Office Max with Member Savings.

Build Relationships

Network with industry professionals, find suppliers, and strengthen connections.

Support Our Community

Give back to the community with volunteer opportunities and charity events.

How to Become a Member

ACEA membership is held at the company level. When a company joins ACEA, their employees become eligible to take advantage of all benefits and services. If your company is already an ACEA member, start taking advantage of your membership benefits by clicking "Login" at the top of the page, and sign in or request a password to create an account. If you are unsure if your company already holds an ACEA membership feel free to [contact us](#).

Annual Membership Includes:

ADVERTISING

- Membership Directory Profile
- Exclusive digital and print marketing opportunities
- Exclusive event sponsorships

POLICY

- Committees that make industry decisions
- Connections with industry leaders and officials
- Updates on rules and regulations

NETWORKING

- Discount registration for monthly luncheons and fundraising events
- Discounted registration for Infrastructure Design & Construction Symposium
- Access to job posting board to recruit staff

EDUCATION

- Earn Engineers Professional Development Hours (PDH)
- Educational and training seminars
- Updates on industry news

PHILANTHROPY

- Volunteer opportunities to build community
- Donations to auctions and food drives
- Scholarships for high school students

FINANCE

- Connections to industry associates
- Discounts at Office Depot/Office Max

Greater Austin Contractors & Engineers Association (ACEA) is proud to host the 20th Annual Central Texas Infrastructure Design & Construction Symposium. This event provides an open forum for individuals involved in all aspects of infrastructure design and construction. Network with industry leaders and officials, discover new connection opportunities, learn about new technology, share concerns and promote your business.

Thursday, May 11th 2023
7:00am – 5:00pm
Austin Convention Center
On-Demand Sessions available 6/1/23 - 12/1/23

Symposium is a community-focused event and ACEA welcomes a wide range of industry professionals.
 We invite members, non-members, and all experience levels to attend.

REGISTRATION OPENS FEB 15TH

Symposium 2023 Experience

ALL ACCESS ADMISSION

Includes:

- In-Person Admission on May 11th
- On-Demand Access starting June 1st
- Mobile App Access

Choose from 20 live sessions at the Austin Convention Center and access 10 session recordings on-demand after the Symposium. You can also use our mobile app to view detailed session schedule, sponsor & exhibitor profiles, attendee profiles, offers, and more.

- Discuss problems with industry leaders and help seek effective, long-term solutions.
- Attend sessions specific to infrastructure design & construction
- Earn at least 15 PD Hours including 1 hour of ethics to affordably meet required credits.
- Learn about new resources available
- Connect with individuals and firms who can help you conduct business more efficiently
- Ask Speakers questions directly in-person
- Watch 10 sessions on-demand for 6 months in desktop app. (Recordings accessible from June 1st to December 1st)

ON-DEMAND ACCESS ONLY

Includes:

- On-Demand Access starting June 1st
- Mobile App Access

Watch 10 recorded sessions on-demand AFTER the Symposium is over. **SESSIONS WILL NOT BE LIVED STREAMED IN REAL TIME.**

You can access the mobile app on May 11th, but you will not be able to watch sessions live during the event. You can send chat messages to other attendees and speakers, but you will not be able to participate in live, interactive features such as Q&A. **If you register for on-demand access only, you can watch sessions starting June 1st.**

- Discuss problems with industry leaders and help seek effective, long-term solutions **via text chat only**
- View speaker, exhibitor, and sponsor profiles through Mobile App
- Watch sessions on-demand for 6 months in desktop app. (Recordings accessible from June 1st to December 1st)
- **Earn at least 10 PD Hours. On-Demand Access does NOT include an Ethics Credit. To earn Ethics Credit, attend in-person event.**

SYMPOSIUM 2022

Greater Austin Contractors & Engineers Association (ACEA) is proud to host the 19th Annual Central Texas Infrastructure Design & Construction Symposium. This event provides an open forum for individuals involved in all aspects of infrastructure design and construction. Network with industry leaders and officials, discover new connection opportunities, learn about new technology, share concerns and promote your business.

Friday, May 13 | 7:30am – 4:30pm

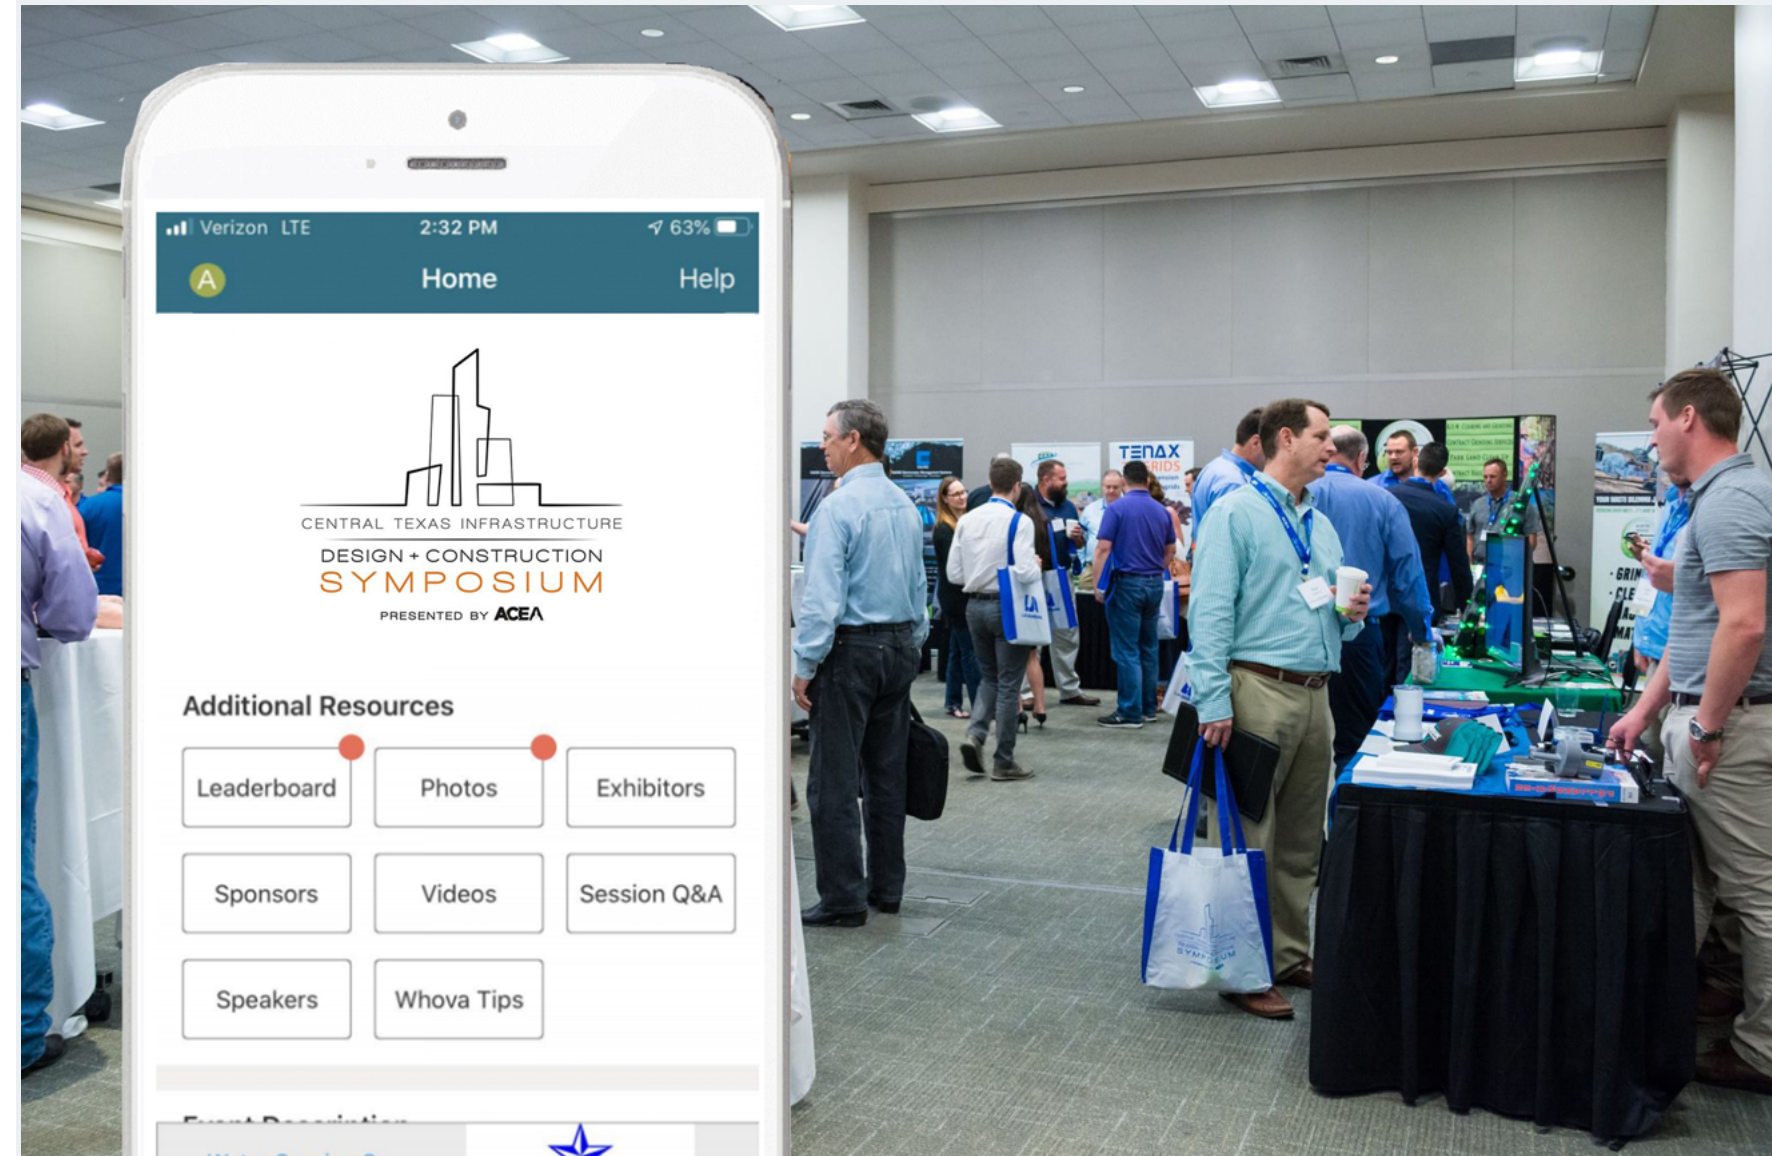

Austin Convention Center

Whova Mobile Conference App

On-Demand Sessions available until 12/1/22

Symposium is a community-focused event and ACEA welcomes a wide range of industry professionals. We invite members, non-members, and all experience levels to attend.

SYMPOSIUM EXPERIENCE

FULL ACCESS ADMISSION

In-Person Admission + Whova Mobile App + On-Demand Access

We will follow local, state and CDC Guidelines to maintain a clean, safe environment for our volunteers and attendees. Please review the latest [Austin Convention Center Resource Guide](#) to stay up to date with safety protocols.

To reduce contact in-person, browse through our Whova Mobile Conference app. The app will feature the detailed session schedule, sponsor & exhibitor profiles, attendee profiles, tips and more. Your Full Access Pass also provides access to watch sessions on-demand for 6 months.

- ➡ Discuss problems with industry leaders and help seek effective, long-term solutions.
- ➡ Attend sessions or view sessions on-demand that are specific to infrastructure design & construction.
- ➡ Earn at least 15 PD Hours including 1 hour of ethics to affordably meet required credits.
- ➡ Create attendee profile to showcase skills and message fellow attendees.
- ➡ Learn about resources available to the design and construction industry.
- ➡ Connect with individuals and firms who can help you conduct business more efficiently.
- ➡ Ask Speakers questions directly in-person and/or through mobile Q&A.
- ➡ Network with speakers, attendees, exhibitors and sponsors in-person and via mobile

ON-DEMAND ACCESS

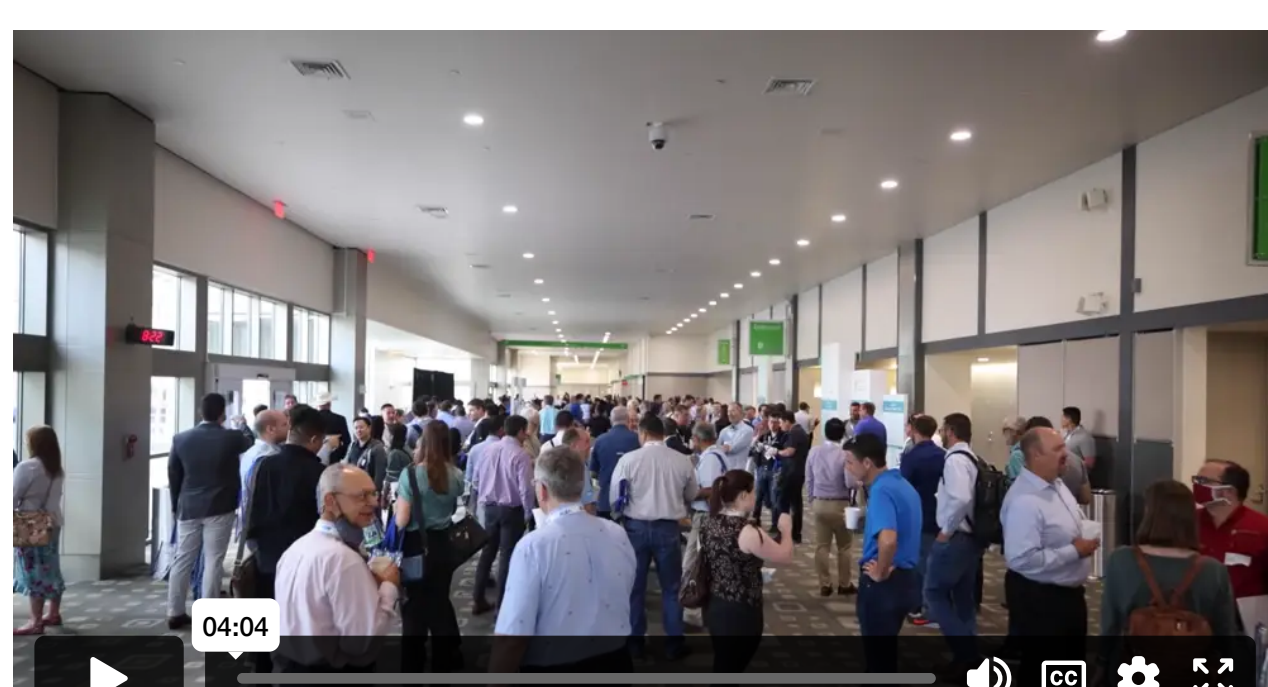

Whova Mobile App + On-Demand Access

We will record **two session tracks** and provide on-demand access after the Symposium is over. We will not host a live stream broadcast of sessions. **On-Demand sessions are accessible until 12/1/22.** If you register for On-Demand Access Only, you will not be able to participate in interactive conference app features such as Q&A.

- ➡ **Earn at least 10 PD Hours. On-Demand Access does NOT include an Ethics Credit. If you want to earn an Ethics Credit, attend the in-person event.**
- ➡ Discuss problems with industry leaders and help seek effective, long-term solutions via chat only
- ➡ View sessions on-demand in late May through the desktop app
- ➡ Create attendee profile to showcase skills and message fellow attendees
- ➡ View attendee, exhibitor and sponsor profiles through Whova Mobile App

Sponsor Symposium Session Track

As an Education Sponsor, you can sponsor a track of up to 5 sessions. Session track categories include water, legal, road, and future projects. Sponsoring a session track is a great way to highlight your unique range of services and promote your brand consistently throughout the day.

Education Sponsor Package includes:

- Verbal recognition during introduction of each session in track
- Company name and logo included on presentation slides of track sessions
- Prominent company name and logo recognition on event signage
- Company name and logo on promotional materials
- Company name, logo, and link to website in email/social promotions
- Sponsor profile with name, logo, and link to website in conference app
- Custom conference app push notifications
- Logo in conference app menu banner
- Include an item in the conference tote bag
- Admission to Symposium plus access to on-demand recordings

Register Now as a Sponsor

Top Symposium Sessions

We're excited to announce our top sessions for Symposium 2023. Our committee has curated a list of topics that explore the new challenges, innovations, and developments emerging in the Central Texas civil engineering and construction industry.

Education tracks including water, legal, road, and future projects. You can earn up to 13 PD hours by attending on May 11th and watch sessions on-demand including...

Water

- Tapping Lake Travis – Project Update on the BCRUA Phase 2 Raw Water Delivery System
- Environmental Regs - Change is the Only Constant (Update and forecast on wetlands, species, and regs)
- The Future of Water in Austin (and the World)

Legal

- Ethics Jeopardy - Morning and Afternoon
- What Makes and Employee an Employee? Employees, Independent Contractors, and Compliance Issues, Oh My!
- Mediation: Get on Board or Get Left Behind

Road

- Structural Testing of CMP Lined & Unlined with Polymeric Resin Chemistry
- Geotechnical Pavement Design and Performance
- William Cannon Bridge Approach – An MSE Wall Case Study

Future Projects

- Project Connect Updates
- TxDOT's Unified Transportation Program (UTP)
- City Updates: Jarrell and Liberty Hill

**Sessions subject to change. Full Agenda coming soon!*

Register your team by April 21st to receive early-bird discount

Symposium Keynote Speaker

John Hofmann - LCRA’s Executive Vice President of Water

John Hofmann oversees LCRA’s water, river, irrigation, dam and hydroelectric operations, water surface management, water resource planning, conservation, water quality protection, water customer service, and environmental laboratory services. John has also worked in the commissioner’s office at the Texas Commission on Environmental Quality.

During the luncheon keynote presentation, John will share LCRA updates and their impact on the civil engineering industry.

Hi <<First Name>>

We’re excited for your Symposium session this Thursday May 11th!
Here are some tips on how to ensure your session runs smoothly...

- **PLAN AHEAD:** Please plan to arrive at Austin Convention Center at least **30 minutes before your session start time**. Refer to the [Session Schedule](#) to find your session start time. Make sure to allocate time for parking, check-in, and AV setup.
- **PARK EARLY:** Refer to the [Convention Center Parking Directions](#) to park at the 2nd Street or 5th Street Garage. There is no complimentary parking.
- **CHECK-IN EARLY:** Please go to the 4th floor registration desk to check-in 30 minutes before your session start time. Afterward, you’re welcome to go to Room 11ab to wait in our Staff & Speaker Lounge.
- **TEST AV 10 MINUTES BEFORE YOUR SESSION:** Your Committee Member Contact will walk you through AV setup. Our AV tech will provide a clicker/laser pointer for you. Please make sure to test your mic and confirm how your Committee Member Contact will moderate Q&A.
- **BRING POWERPOINT ON USB:** We will already have a laptop setup with your PowerPoint ready to go. However, in case of technical difficulties, please bring your PowerPoint on a USB just in case we need a backup.
- **PRESENT TOWARD THE CAMERA:** If your session takes place in Room 16ab or 17ab, then your session will be recorded. Please try to present toward the camera and avoid putting your back toward it.
- **ALLOW TIME FOR Q&A:** Please allow at least 5 minutes for live Q&A. Moderators and the audience will ask questions live. There is no mobile Q&A.
- **ENJOY SYMPOSIUM:** You’re welcome to attend any and all sessions before and after your presentation. Your all-access registration is complimentary and you’ll receive access to on-demand sessions starting June 1st. We’ll send mobile app download instructions on Wednesday. The mobile app will feature the detailed session schedule. (Please keep in mind we’ve already set up your Speaker Profile in the mobile app. You will not be able to edit it.)
- **KEEP US UPDATED:** **If you're running late or there's an emergency and you're not able to arrive 30 minutes early, please email your Committee Member Contact and cc Silvia, Alli, and Katt. Please keep us all in the loop so we can make adjustments as necessary.**

If you have any questions, please email ksias@aceatx.com or call [\(512\) 893-7067](tel:5128937067). Thank you so much for offering to share your expertise with us and we can’t wait to see you Thursday!

How to Setup Your Exhibitor Booth Today

Hi <<First Name>>

Thank you for being a Symposium Exhibitor!

As a reminder, here are some tips on how to ensure your booth setup runs smoothly...

- **PLAN AHEAD:** Please plan to arrive at Austin Convention Center between 6:00-6:30am today!
- **PARK EARLY:** You can park at Loading Docks 12-14 on Red River Street to unload your signage and materials. Then please refer to the [Convention Center Parking Directions](#) to park at the 2nd Street or 5th Street Garage.
- **SETUP BY 7:30AM:** The Exhibit Hall will be on the 4th floor in Room 18CD. [Please refer to the Exhibitor Map to find your booth number.](#) All booths will come with a table and chairs. Please finish setting up your booth by 7:30am when the Exhibit Hall opens.
- **TEST ELECTRICITY:** If you purchased electricity, it will be ready for you at your booth. If you would like to purchase electricity on-site, please go to the registration desk to upgrade for \$125.
- **CHECK-IN ALL PERSONNEL:** We ask that all registered Exhibitor Personnel check-in at the registration desk by 9:00am so we can get a head count of participants. If you need additional booth staff, please make sure they go to the registration desk to sign up.
- **GET ON-SITE ASSISTANCE:** If you need assistance at anytime, ask our Exhibitor Liaison, Johnathan Nitsche, who will manage our Exhibitor Hall throughout the day.
- **BREAKS:** Refreshments will be available for attendees in the Exhibit Hall during the 30-minute breaks between sessions.
- **ENJOY SYMPOSIUM:** You're welcome to attend sessions as long as there is at least one person managing your booth between sessions. You're also welcome to attend the luncheon. Registered Exhibitors will receive access to on-demand sessions starting June 1st. [Please download the mobile app for session details.](#) (Please keep in mind we've already set up your Exhibitor Profile in the mobile app. You will not be able to edit it.)
- **TAKE DOWN:** You can begin to take down your booth at 3:30pm. Symposium ends at 5:00pm.

If you have any questions, please email ksias@aceatx.com or call [\(512\) 893-7067](tel:5128937067). Thank you so much for being an exhibitor!

Share Your Feedback

Hi <<First Name>>

Thank you so much for joining us at Symposium today! Feel free to grab a margarita in the foyer right now!

Please also let us know how we can create a more valuable experience for you.
Please share your feedback and fill out our survey by 5pm tomorrow, May 12th!

[Fill Out Survey](#)

[Download and print the PD Certificate](#) which includes a checklist for both on-site and on-demand sessions. You can check off sessions as you attend on-site and view recordings starting June 1st. **The document is not interactive. You can not digitally check off sessions.** You'll need to print the certificate and check off sessions with a pen.

Welcome to ACEA!

[View this email in your browser](#)

Welcome to ACEA!

Thank you for joining our association for contractors, engineers, and the vendors and suppliers to our industry.

Your professional experience and passion are the driving force for the Austin community.

Discover new opportunities and how to get involved!

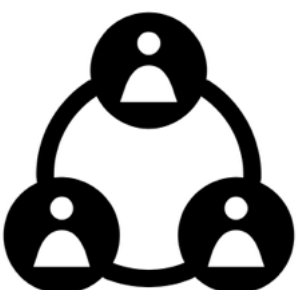

MEMBERSHIP BENEFITS

POLICY

- Discuss issues with industry leaders
- Keep up with rules, postings, and regulatory changes

NETWORKING

- Build relationships with business professionals
- Connect with members at fish fry and golf tournaments
- Attend the Central Texas Infrastructure Design & Construction Symposium

EDUCATION

- [Earn Professional Development Hours \(PDH\) at monthly luncheon](#)
- Participate in educational and training seminars
- Learn from informative speakers at monthly luncheon

ADVERTISING

- Take advantage of advertising and marketing opportunities
- [Feature your company in the membership directory](#)
- Feature your company in our monthly newsletter or at events

FINANCE

- Serve the community with volunteer and scholarship opportunities
- [Enjoy discounts at Office Depot/Office Max](#)

GET INVOLVED

Find your voice and share your perspective on regulations and procedures in infrastructure construction and engineering. ACEA strives to build better relationships with local city, county, and state governments. We connect during committee meetings, monthly membership luncheons, annual public agency symposium, annual fish fry and seasonal golf tournaments.

[View Upcoming Events](#)

[Meet the Board of Directors](#)

JOIN A COMMITTEE

ACEA members team up to make an impact on infrastructure construction and the community. Join a committee to speak up for your business.

Regulatory Oversight: Monitors and comments on governmental policy change

Community Involvement: Develops forum for members to serve the community

Membership: Serves membership and recruits industry professionals

Symposium: Creates annual forum to unite Central Texas construction community

Events: Plans annual fundraising events including the fish fry and golf tournaments

Interested in joining a committee? Email us at info@aceatx.com.

Have a question? Email us at info@aceatx.com!

VIRTUAL SYMPOSIUM 2020

Greater Austin Contractors & Engineers Association (ACEA) is proud to host the 17th Annual Central Texas Infrastructure Design & Construction Symposium. The symposium provides an open forum for individuals involved in all aspects of infrastructure design and construction. Network with industry leaders and officials, discover new connection opportunities, learn about new technology, share concerns and promote your business.

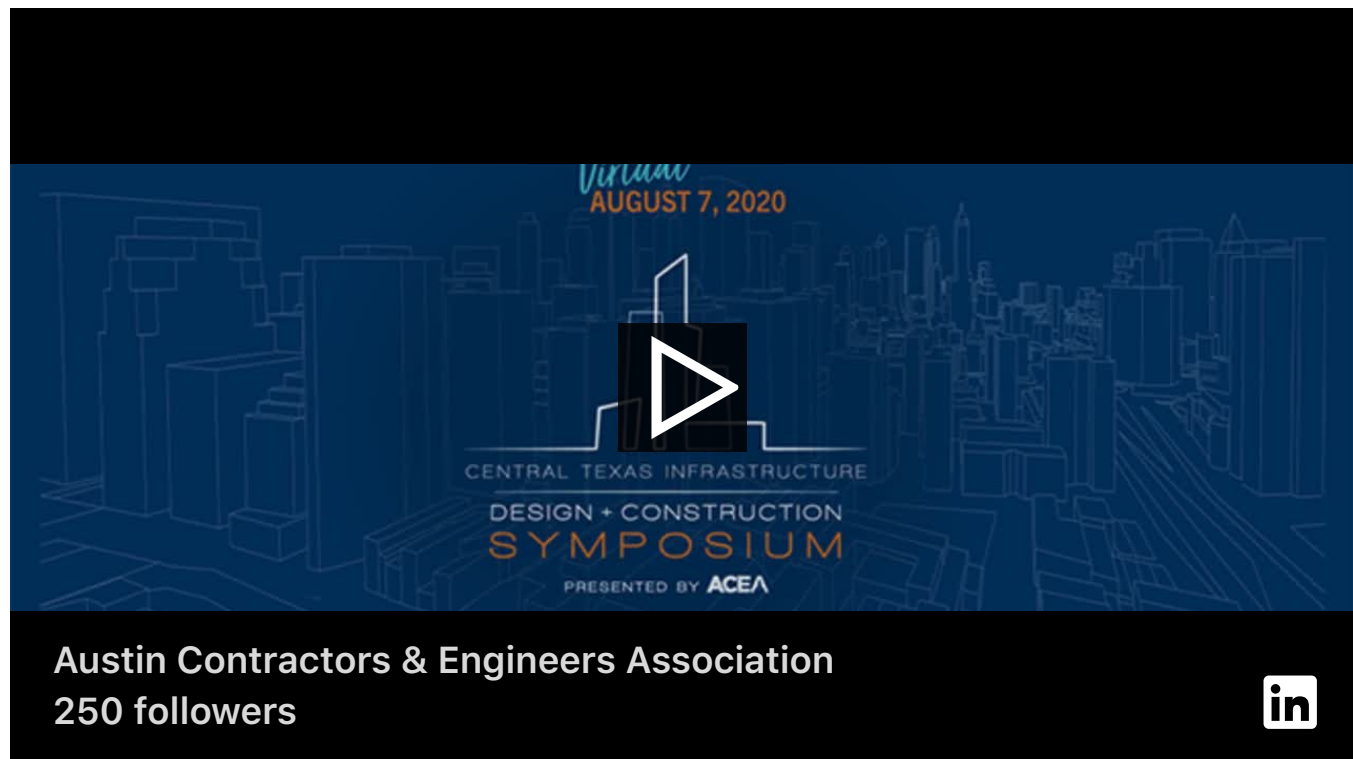

WHOVA MOBILE APP

To ensure the health and safety of our community, we're hosting a virtual conference using the Whova conference platform. You can view sessions and connect with industry experts any time, on-demand until February 8th, 2021. In order to view sessions on your desktop computer, **YOU MUST DOWNLOAD THE WHOVA MOBILE FIRST.** If you are not comfortable downloading the Whova mobile app, then you will not be able to access our event. Please keep this in mind before you register.

Register Now

After you register, you'll receive an email with instructions on how to download the Whova mobile app and then login to the desktop app on your computer.

EARN PD HOURS AT VIRTUAL SYMPOSIUM

Hello <<First Name>>

If you'd like to participate live during Virtual Symposium on August 7th, make sure to register by this Friday, July 31st!

Tune in to watch live sessions, ask the speakers questions and network with industry experts. Our sessions explore the issues Austin is currently facing in these uncertain times. Unlike other online PD courses, you'll get to learn how to apply these theories in the real world, right now.

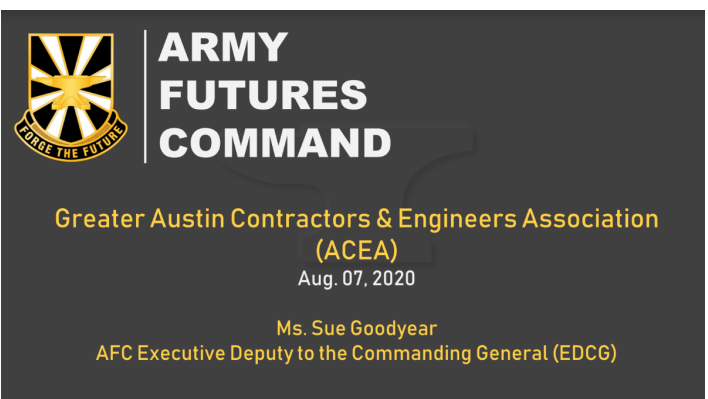

TOP SESSIONS

TXDOT is constructing the first diverging diamond interchange in Austin at the MOPAC Expressway intersection at Slaughter and La Crosse Avenue.

The Chapman Firm shares tips on how to improve contract language to cover future unforeseen events.

The Department of Defense's new command is headquartered in Austin and is experimenting with innovative infrastructure partnerships in AI, biotech and engineering.

Waterloo Park will open in 2021 as one of the most engaging public spaces with sustainability features, environmental design and unique architecture.

REGISTRATION IS OPEN AGAIN

Hello <<First Name>>

Thanks to our members and city contacts for tuning in with us on Friday! While the live event is over, Virtual Symposium will continue to remain open through February 7th, 2021. All sessions are available on-demand through the Whova app for registered attendees.

If you missed sessions or want to watch them again, all sessions are available any time. If you haven't registered yet, feel free to sign up and access our exclusive community features including...

- Job Postings
- State of Economy
- Ways to Stay Sane During Coronavirus
- Other Conferences
- Exhibitor Showcases
- Speaker Q&A

WE WANT YOUR IDEAS!

Hello <<First Name>>

If you have feedback on how we can improve the annual Symposium experience, we would love to hear your thoughts!

If you're interested in building the future of our industry, join our Symposium Committee to take advantage of exclusive opportunities including...

- Sharing your thoughts and ideas on how to improve ACEA
- Raising your profile at your own company and within the industry
- Strengthening relationships with industry experts, city employees, civil engineers, contractors, and suppliers
- Expanding your network far beyond your scope of work
- Leading industry discussions and curating important topics
- Collaborating with a team on a highly recognized industry experience
- Increasing skillset by coordinating a high-quality, multi-session event
- Creating innovative solutions with latest technology and top-notch programming

If you'd like to share your feedback and learn more about curating Symposium 2021, email Silvia at info@aceatx.com.

GREATER AUSTIN CONTRACTORS & ENGINEERS ASSOCIATION

Membership
Information

SPEAK UP FOR YOUR BUSINESS

The Greater Austin Contractors & Engineers Association (ACEA) was formed in 1983 to promote the business interests of those involved in designing and building Austin's infrastructure.

The organization is composed of engineers, contractors, and associates in Central Texas. ACEA monitors issues that directly affect businesses, including actions by the City of Austin and surrounding governments. Join ACEA to speak up and make an impact in the construction community. Your voice matters!

MEMBERSHIP BENEFITS

Policy

Discuss issues with industry leaders
Keep up with rule postings and review meetings

Networking

Build relationships at monthly luncheon, fish fry and golf tournaments
Attend Central Texas Infrastructure Design & Construction Symposium

Education

Obtain Engineers Professional Development Hours (PDH)
Learn from speakers at monthly luncheon and training seminars

Advertising

Take advantage of advertising and marketing opportunities
Feature your company in membership directory and newsletter

Finance

Serve community with volunteer and scholarship opportunities
Enjoy member discounts at Office Depot

COMMITTEE OPPORTUNITIES

Regulatory Oversight

Monitors and comments on governmental policy change
